

Design Selection

Note: 1 roll (50m) can make 2 different designs, or 1 design with 2 colors.

OPTION 1: Design Bank

No extra charges will be incurred for client to change color, reposition of motif design and adding signature brand name.

Design can be seen in Instagram app by browsing the hashtag #designbankashanim to see the entire bank design

Link: <https://www.instagram.com/explore/tags/designbankashanim/>

OPTION 2: Design Yourself

No extra charges for designing work from us because we only print the client's design. Please provide final artwork in the form of high resolution jpeg. Minimum 150dpi and design size must be in the actual size of the bawal or shawl. Color format: CMYK.

We only responsible to check in terms of technical printing. Content design is 100% from the client's designer and the factory will not touch / modify the design. The final design given by the client's designer shall be the design that will be proceed to be printed.

OPTION 3: Paid Design

There is a charge of RM 300 per design will be incurred due to using of our Professional Textile Designer. Not all designers can design for fabric.

Our Professional Textile Designer will design according to the design you want. Each design can be expanded to several colors, there is no additional cost as it is already included cost of RM 300 per design.

The charge for using our Professional Textile Designer per design is only for the 1st sketch with 2 times amendment.

Client can screenshot a picture or sketch a picture for our reference (design as you wish).
